

To ALL CADArts member

CADArts is organising an exhibition, **4U2 TOUCH II - Tactile Arts** in the Red House Museum Gallery and Gardens **28th April - 2nd June 2018**.

2018 is our 40th Anniversary and some members may remember our previous exhibitions, **Tactile Textiles** in the Red house Museum, and **4U2 TOUCH** at Highcliffe Castle. These were aimed at the visually impaired but were visually stunning and enjoyed by all visitors.

We are inviting works for display in the Gallery as well as outdoor exhibits for the Gardens.

Artists and craftspeople submitting work should be aware that, as the blind 'see' through their fingertips, exhibits will be examined by touch. CADArts reserves the right not to display any item that is deemed unsafe or unsuitable.

There will be no entry fee but there will be a hanging/display charge. Items may be for sale or not, as you choose. The Red House will take 25% commission on any sales.

We need to know as soon as possible approximately how many exhibits we can expect. If you intend to take part, please complete the tear-off slip below by Friday 9th February, and return to:

CADArts, 24 Solent Road, Southbourne, BH6 4BP, or email:
