

Request from Jacqui Gush

WOULD YOU, OR ANYONE YOU KNOW, BE INTERESTED IN HELPING TO SUPPORT AN ART CLASS FOR 6 WEEKS?

Background to the request

I lead an art class for the Bournemouth branch of U3A. It's a voluntary role and I enjoy the interaction and being able to support the participants. They are lovely people and enjoy a bit of learning about techniques but also seek a social break doing a hobby they enjoy. In other words, in general these classes are not for serious artists.

I am now hoping to be away for 6 weeks over January and February 2019, and seriously need to find one, or 2 colleagues (sharing the job), who are interested in art themselves to lead this class for me in my absence.

Would you be interested? Expressions of initial interest would be welcome

Details

- The class is at Moordown Community Centre in Bournemouth
- Wednesday afternoons from 2 - 3.30pm each week.
